## Teaching Guitar and Ukulele in the Classroom

Our two distinguished guests, Doug Giroux and Cordell Henebury, will teach us the ins and outs of managing a ukulele and guitar program.

Doug has privately taught guitar and ukulele for nearly a decade, currently employed by the McGill Conservatory, where he also teaches preschool music. He is currently in his final year of study in McGill's Concurrent Bachelor of Music Education (B.Ed/B.Mus).

Cordell studied classical guitar at Cambrian College in Sudbury, Ontario. He studied jazz improvisation at Vanier College and completed a B.Mus in jazz performance at McGill University.
